

Join us for our first Camp back up the mountains!

BUILDING BRIDGES CAMP

March 11-13, 2022

A 3-DAY, OVERNIGHT PROGRAM FOR HIGH SCHOOL STUDENTS FOCUSED ON EXPLORING ISSUES OF OPPRESSION, JUSTICE AND THE IMPACT THOSE FORCES HAVE ON THEIR DAILY LIFE. STUDENTS ALSO LEARN CONCRETE STRATEGIES FOR ADVOCATING FOR JUSTICE IN THEIR SCHOOLS AND COMMUNITIES.

Please see next page to learn how we're keeping Campers safe at this year's Camp.

Building Bridges Camp

COVID-19 Safety Practices

CCEJ makes the safety and well-being of all students and staff our top priority. We have the following structures in place to make the Camp experience as safe as possible.

COVID-19 Vaccinations: Prior to Camp

- All students attending Camp will need to be fully vaccinated and up to date with their boosters.
- Proof of vaccination status will need to be turned in to CCEJ Staff with their Camper Application.
- All campers, regardless of vaccination status, will need to provide a negative COVID-19 test 72 hours before going to Camp, to Building Bridges Staff.
- If campers need help getting access to a COVID-19 testing site, they can reach out to CCEJ for help.

Transparent Communication

- If a student starts exhibiting any signs of COVID-19 or any other illness while at Camp, parents/guardians will be contacted immediately and the student will be housed in the Medical Center.
- If CCEJ Staff is notified of a student or staff having COVID-19 within a week of Camp, School Recruiters will be informed.
- CCEJ staff will be monitoring COVID-19 news, state mandates, and state policies. If we are needing to postpone camp, school recruiters and campers will be notified by Monday, March 7, 2022.

At Camp Safety & Sanitation

- Any student or staff that is sick is required to stay home and not participate in Camp.
- Students and staff will be required to wear face masks in any indoor spaces, except while eating, drinking, or sleeping.
- Camp will be at 50% capacity in order to maintain social distancing, when possible.
- Students will be spread out in cabins. Students will be sleeping in every other bunkbed to provide physical distance.
- A Camp Nurse is present during Camp to support with any medical needs.
